BANDADDA JAMROOM BOOKING SERVICE

Turn Your Rehearsal Studio Into a 24/7 Automated Booking Machine

Eliminate ghost bookings with guaranteed online token advances, prevent double-bookings with an instant 1-click walk-in blocker, and take automated slot bookings from your own website and Instagram. **Zero setup fees • You keep 100% of your hourly rental rate.**

The Problem in Today's Rehearsal Studios: Studio owners spend 10+ hours a week answering calls, repeating slot availability on WhatsApp chats, tracking UPI screenshots, and absorbing the loss of unpaid cancellations. **Bandadda automates this entire cycle** without changing your offline walk-in regulars or taking a single rupee from your hourly fee.

OPERATING MODEL ANALYSIS

Stop Answering “Bhaiya slot khali hai kya?” All Day

Ordinary directory listings like JustDial, Google Maps, or generic directories just display your phone number. You still have to do 100% of the manual scheduling work. Bandadda turns your listing into an active, bookable online engine.

The Old Way (Manual Phone & WhatsApp)

- Constant interruptions while recording or mixing
- Ghost bookings & unpaid last-minute cancellations
- Manual diary keeping prone to double-booking errors
- Manual verification of UPI payment screenshots

The Bandadda Way (Automated Partner Studio)

- 24/7 Live self-service booking calendar for musicians
- Advance token deposit collected automatically online
- 1-click slot blocker for offline walk-ins & phone calls
- Free booking widget for your Instagram Bio & website

BUILT EXCLUSIVELY FOR INDIAN REHEARSAL STUDIOS

Everything You Need to Run & Scale Your Studio

Whether you run a single-room jam pad or a multi-room facility offering jamming, video shoots, and recording sessions, Bandadda gives you full control right from your smartphone.

01

24/7 Live Automated Slot Matrix

Musicians view your real-time open slots (6:00 AM to 12:00 Midnight) and lock rehearsal hours in 30 seconds with instant online confirmation.

02

Guaranteed Advance Token Deposits

Stop no-shows forever. Bands pay an online token to reserve the slot, and settle the remaining balance directly with you at your studio gate.

03

1-Click Walk-In & Offline Blocker

Receive a phone call or regular band walk-in? Instantly block slots from your mobile phone with customer name, phone number, and custom booking notes.

04

Multi-Service Hourly Rates

Configure distinct hourly rates for Jam Sessions (e.g. ₹300/hr), Video Shoots (e.g. ₹600/hr), and Audio Dubbing / Recording (e.g. ₹700/hr).

05

Night & Weekend Surge Pricing

Automatically charge peak rates for prime evening hours (e.g., after 8:00 PM) or weekend slots (Saturday & Sunday) without manual calculations.

06

Free Embeddable Website Widget

Paste a single line of embed code to display your live Bandadda calendar directly on your existing WordPress/Wix website or Instagram Bio Linktree.

07

Gear & Equipment Add-On Upsells

Let musicians pre-book and pay for extra equipment (extra synth, IEMs, double pedal, extra mics, video lighting kit) when booking their slot.

08

Vacation Mode & Custom House Rules

Set recurring weekly off days, toggle Vacation Mode for repairs or holidays, and display mandatory rules bands must accept before booking.
